

Dear Parents,

I hope you are all safe and well. Well done to all of you, for managing to get this far! Please remember again, that the work assigned is just a suggestion, and again, don't feel under pressure to complete it all, every day. As always, your best is good enough! We are continuing to use the Scoil Eoin Padlet to further consolidate all the work being done in the homework. After this 2 week block of school work is completed, we will concentrate on a final week of fun activities for the children. So we are nearly there, well done to all! Please do not worry if you feel that your child may not have grasped all concepts fully this year, there will be plenty of revision built into the new schemes of work for next year's class, to help further revise with your child.

Note: For those of you, who have taken home your music book: *The Right Note 1*, please retain, as this will be used in the coming September.

Note: Please return book rental books to the school, on Thursday 25th and Friday 26th of June.

Please find below a list of **suggested** homework activities.

Wishing you all good health,

Warm regards,

Claire Gleeson
