

Dia Dhaoibh!

This will be the last upload of suggested work before the summer holidays. This time there are no books or copybooks needed, and it is all fun activities. As always, you do not need to complete all of the work. This is just a list of ideas that you can use to keep busy for the next two weeks, and even for the rest of the summer if you like.

This was a very strange year in school for all of us. I know it was not easy being at home all the time and away from your friends and some of your family for so long, but well done for keeping at the school work and trying your best. You should be very proud of yourselves!

Hopefully you will all get to see each other soon!

Have a fantastic summer!

From Ms O'Driscoll

- Keep an eye out on the school app for updates on a Virtual School Sports Day!
- Also, please note that the RAZ subscription that was detailed in the previous suggested work document expires on June 15th.
- **All book rental books are to be returned to the school on Thursday 26th or Friday 27th of June between 6.30 and 7.30 pm.** Please place all books in a bag and label with your child's name. These are to be returned to the school hall. Please enter through the front door and exit through the back door.

Activity Table
