

Hi everyone! 😊

Well, here we are! You did it! You have made it to the end of the year! 🎉

Give yourselves a pat on the back because you definitely deserve it. It's been a strange few months and I know everyone has probably handled it differently, but luckily we can say that we've made it through so far and we're almost on the other side. 🙌 You should be incredibly proud of yourselves!

Everything that has happened and the way in which you've dealt with it has made you a stronger person. You have probably discovered many things about yourself that you may otherwise have not known.

Maybe you have found out that you are a very skilled cook or baker! 👩🍳🔍

Perhaps you have discovered how fast you are at making jigsaws or that you have a talent in dancing, soccer, singing, gardening or karate! 🧩🏃🏈🎵🌻🥋

There's a high possibility that you have been creating some amazing artwork or building things for your garden! 🎨👷

Whatever it may be, I'm sure you have learned a lot about yourself throughout the whole experience.

I know there are a number of things we have all learned together. 💡

We have learned to never take anything for granted, even if it is something as small as seeing your friend in the school yard waving to you on a Monday morning, or something as special as the quality time you spend with your families, aunties, uncles, cousins, grannies and grandads. Being able to go to the beach or to the playground or park will forever feel that little bit more meaningful than ever before.

We have learned the importance of looking after others and how our actions can have such a strong impact on the lives of those around us. Staying in during lockdown was incredibly tough for so many, but you have been reminded time and time again just how many lives you have saved by doing this. While I've said this before, by this simple act, you have all become heroes. This idea, that what you do and how you act can affect others, is something I hope you will carry with you throughout life. Your impact on the World is so much greater than you may think! ✨

There are some activities below that may keep you entertained over the next week or so. The Scoil Eoin Padlet will also stay active during the summer → <https://bit.ly/3rdto6th>

Challenge yourself a little more and see how you get on! The answers to the challenge below will be put on the school app on June 24th. Good luck! 👍

If there is anything you need, I am still on Seesaw to answer all of your questions, send you activities or helpful videos, if you need, or just to simply say hi. I am already looking forward to seeing you in the coming school year and catching up on all of the things you've been up to! 😊

Have an amazing summer! You all deserve it! ☀️

Thinking of you all,

Ms. Gaynor 😊

All book rental books are to be returned to the school on **Thursday 26th or Friday 27th of June between 6.30 and 7.30pm**. Please place all books in a bag and label with your child's name. These are to be returned to the school hall. Please enter through the front door and exit through the back door.

We are still logged onto the app **Book Creator** which you can access here: <https://bookcreator.com/>
 On this app, you can create amazing digital books. They can include text, images, audio and video.
 Create books about anything! Maybe a comic book, fiction, instruction booklet or whatever you're interested in.

Here's a quick video all about it: <https://vimeo.com/220782126>

If you'd like to log on to your account, just ask for your login code through Seesaw and I can send you the QR code which you can scan or the login link which will take you to your page.

If you have not consented to Seesaw but would like to use this app, send an email through the **Scoil Eoin email** address and I will send you your code/link as a personal notification in the school app.

Outdoor Art Ideas

Name:			Class:	
Colour in the boxes to show which activities you have done.				
Paint some pebbles and turn them into colourful creatures.	Take some paper outside and do a landscape drawing.	Sketch some pretty flowers.	Make a fingerprint minibeast painting.	Chalk some patterns, pictures and words on the ground.
Make shadow shapes on a wall and, if possible, ask an adult to take some photographs.	Blow bubbles and explore the different colours you can see in them.	Make a collage of some of the living things you can see when outside.	Use feathers, beads and other objects to make an eye-catching wind chime.	Lie back and see what shapes you can see in the clouds, then draw what you see.
Fill an empty washing-up liquid bottle up with water and write words on the ground.	Fill some water balloons and throw them at a wall. Look at the strange patterns they make!	Make a collage out of tissue paper and hang it in the garden so that the sun can shine through it.	When the sun is shining, use the mist from a garden hose to make a rainbow.	Use large sheets of paper, an old pair of shoes and some paint to make some footprint art.

Music Ideas

- Listen to a song and draw how it makes you feel
- Design and draw a new musical instrument
- Create beats on <https://www.incredibox.com/demo/> (website version)
- Explore Chrome Music Lab: <https://musiclab.chromeexperiments.com/Experiments>
- Write a parody song (change the words of a song that already exists)
- Create background music to a short story, using items around the house

Riddles

1. Billy's mother had five children. The first was named Lala, the second was named Lele, the third was named Lili, the fourth was named Lolo. What was the fifth child named?
2. It's as light as a feather, but the strongest person can't hold it for more than five minutes. What is it?
3. Two boxers are in a match scheduled for 12 rounds. (Pure boxing only - no kicking, UFC takedowns, or anything else). One of the boxers gets knocked out after only six rounds, yet no man throws a punch. How is this possible?
4. What type of cheese is made backwards?
5. Imagine you're in a room that is filling up with water. There are no windows or doors. How do you get out?
6. What can you catch but not throw?
7. What has hands but can't clap?
8. What is so delicate that saying its name breaks it?
9. A truck driver is going opposite traffic on a one-way street. A police officer sees him but doesn't stop him. Why didn't the police officer stop him?
10. What can run but never walks, has a mouth but never talks, has a head but never weeps, has a bed but never sleeps?
11. I am an odd number. Take away one letter and I become even. What number am I?
12. A man was taking a walk outside when it started to rain. The man didn't have an umbrella, and he wasn't wearing a hat. His clothes got soaked, yet not a single hair on his head got wet. How could this happen?
13. What gets wetter as it dries?
14. What has to be broken before you can use it?
15. Bobby throws a ball as hard as he can. It comes back to him, even though nothing and nobody touches it. How?
16. I have rivers, but do not have water. I have dense forests, but no trees and animals. I have cities, but no people live in those cities. What am I?
17. We see it once in a year, twice in a week, and never in a day. What is it?
18. This travels around the world but stays in one spot? What is it?
19. This goes up and down, but never moves? What is it?
20. I can sizzle like bacon, I am made with an egg, and I have plenty of backbone, but lack a good leg. I peel layers like onions, but still remain whole; I can be long, like a flagpole, yet fit in a hole. What am I?

The Stroop Effect Test

The Stroop effect was discovered in the 1930s by John Ridley Stroop. During the test, you're given a list of color names, with each word being a different color than what they describe.

The test involves saying the color of a word, rather than reading the word itself. Your mind must process the two conflicting pieces of information, which slows down reaction speed and requires careful thought to get through.

Say the Color of each Word!

(Don't read the word)

How Fast can you say it?
